# INTERNATIONAL BUILDING & INFRASTRUCTURE TECHNOLOGY CONFERENCE 2011

## Conference at a glance

Over 70 full papers on various topics related to building and infrastructure have been accepted for publication in the conference proceedings. All papers were reviewed by a scientific committee will be published as conference proceedings with ISBN registration. The international and local authors will present their papers orally in two parallel technical sessions.

### Keynote Speakers

#### Dato' Dr. Ismail bin Mohamed Taib

Dr Ismail is the Managing Director of Jambatan Kedua S/B., concessionaire for the Penang Second Bridge Crossing. He has 29 years hands-on highway bridge planning and construction experience. Ismail was formerly the Senior Director of Civil. Structure and Bridge Engineering Branch of Public Works Department, Malaysia (PWD). Previously, he was the head of Bridge Unit, PWD Malaysia. Dr Ismail holds a PhD in Civil Engineering from University of Wales, Swansea and has widely presented papers on planning, design and construction of bridges.

#### Dato' Mohamed Fadzill Hassan

Dato' Fadzill is the Managing Director of Fadzill Construction S/B, a prominent Class A contractor based in Penang, Malaysia. He is also currently the president of Malay Contractors Association Penang and the deputy president at national level. Dato' Fadzill has been actively involved in construction industry since 1987. In 2008 he won the Bumi Icon Award, a prestigious award by the Prime Minister's department.
